

Name that Hampton Roads and Central Virginia USO

LOCATION BANK BELOW

1. What is USOHRCV's northernmost location? _____
Hint: It is also located in Virginia's capital city
2. Which USOHRCV is located on a joint base, that was originally called Langley Fields?

3. Which USOHRCV is located on a joint base that within its territory includes a location called Mulberry Island? _____
Hint: Mulberry Island was settled by English colonists in 1607 and was purchased by the Federal government in 1918, where a military base was established named Camp Abraham Eustis.
4. Which USOHRCV location is now an airport, but from 1942-1945 was an Army camp named Camp Patrick Henry? _____
5. This USO is located on the largest naval base in the world. Which USOHRCV location is this? _____
 - There is another USO located on this base as well. It is commonly called by its abbreviated title, but its official name is Air Mobility Command Air Terminal. Which USOHRCV location is it? _____
6. Which USOHRCV's location is located on the grounds where European settlers met with the Powhatan Confederation in 1607 and was first named Camp Lee in 1917, but was renamed in 1950 when the War Department decided to make it a permanent installation? _____
7. Which USOHRCV location was originally a golf course called Truxton Manor Golf Course, until its conversion into an airport in 1938? _____
8. Two USOHRCV locations are located on this base. The land for this base was originally called Cape Henry and was donated to the federal government by the

Virginia General Assembly in 1914. In 2010 this location got an updated name when Naval Amphibious Base Little Creek was merged with Fort Story.

- USO on this base host USOHRCV's program USOHRCV's peer-led health and wellness program, which is often referred to as OAT. Which USOHRCV location is being described? _____
- The second USO on this base is located at 1604 Amphibious Drive, the street name is no doubt a nod to the roots of the base, which USOHRCV location is this? _____
